## ASHANTI REGION: GESOPS

### MEMBERSHIP ENGAGEMENT 2024

GESOPS visited the Ashanti Region for the second round of the Member Engagement Plan for 2024. The event was from the 26<sup>th</sup> of February to the 15<sup>th</sup> of March 2024.

The GESOPS team set out to meet a total of 5,160 participants. Each session comprised of Circuit Supervisors, Head Teachers and Staff, Secondary School Representatives, Non-Teaching Staff and some Ghana Education Service (GES) District Executives.

In the Ashanti Region the team engaged members in the 43 districts. A total of 4,819 out of 5,160 members were trained, representing 93% of the target audience.

The training focused on three thematic areas namely; Pensions overview (Tier 1,2 &3), GESOPS online portal services and USSD registration (access to statement, viewing of listed beneficiaries and claim submission), and education on the ongoing data collection exercise where members in the various districts were introduced to their district representatives.
