## GREATER ACCRA REGION: GESOPS MEMBERSHIP ENGAGEMENT 2022

After a successful member engagement in the Eastern region the next region that was visited by GESOPS was the Greater Accra Region. This was part of the “Go-to-Market-Plan” for 2022 to educate members about Tier 2 pensions. However, this was considered as a mop up exercise since in 2021 the team had trained 9 districts in the region. The event was from the 14<sup>th</sup> to 28<sup>th</sup> November 2022.

The Secretariat set out to meet a total number of 100 participants per session. Each session comprised of Circuit Supervisors, Head Teachers, Secondary School Representatives, Non-Teaching Staff and some Ghana Education Service (GES) District Executives.

**Our Pensions, Our Future**

The Secretariat visited all remaining 20 districts in the Greater Accra region. Upon completion of the exercise 1,859 members were trained out of the expected 2,000 members (93%) .

GESOPS took participants through the USSD registration process. As at the end of November 2022 a total of 19,258 members had registered on the USSD platform.

### Conclusion

The exercise was very successful based on the feedback the Secretariat gathered and the participants gave positive feedback on the USSD (short code). The Secretariat would like to thank Ghana Education Service and it's Directors, the District Directors, the various Leaders, GLICo Pensions, and the Union Executives for their immerse support.
